Hi, I'm your new Alight Health Pro™ consultant. I now have the pleasure of working on behalf of you and your employees and wanted you to get to know me a little better.

I'm originally from Highland Village, TX and graduated from Southern Methodist University with a degree in Corporate Communications and a focus in Public Affairs. When I'm not helping my members with requests, I enjoy spending time with my husband and twin sons, having dinner with friends and reading. I am the primary Health Pro on several large companies across the US and am happy to now serve a distinguished client like yours.

I enjoy working for Alight because of the people I work with every day and because I know the work I do positively impacts the lives of my members. I look forward to talking with you soon!
