

TRI-COUNTY SCHOOLS INSURANCE GROUP

PROPERTY/CASUALTY

Policy No. 314

Charter Schools

The Tri-County Schools Insurance Group (TCSIG), recognizing that Schools or Districts may apply for Charter School Status pursuant to Ed. Code 47600 et.seq., will consider providing coverage upon application within Tri-County Schools Insurance Group's self-insured retention providing that certain minimum risk management standards are followed. These standards include but are not limited to:

1. District administrative regulations and rules regarding risk management and safety.
2. Programs, transportation, and facility use that are consistent with District policies.
3. Hiring and termination policies and procedures that are consistent with the District's other schools, including full compliance with all nondiscriminatory laws and statutes.
4. Indemnification clauses.
5. Claim reporting.
6. Safety inspection compliance.

The District shall provide necessary documentation including the school's Charter application, prior to consideration by the Tri-County Schools Insurance Group Executive Committee.

If coverage is accepted by Tri-County Schools Insurance Group, then Tri-County Schools Insurance Group will submit information to its excess carriers for them to either approve or not approve coverage for their layers.
