

Whether you are an avid walker, a couch potato, or somewhere in the middle, it's time to lace up your sneakers, grab a bottle of water, and accept the **8th Annual Walk Across America challenge!**

This annual challenge not only provides a structured program to help you incorporate walking as a daily tool for health and fitness, it also offers great prizes for participants who commit to their personal wellness!

-  If you love to walk, but can't go very far – that's ok, we have a prize level for you!
-  If you are a go-getter and meet the daily step challenge – we have an exciting surprise for you!
-  If you are a “new walker” and did not participate in 2018 – we've got a prize to get your attention!
-  If you have been motivated by another participant, your support could be a winner for both of you!

And to ensure that you maximize your earning potential, ALL physical activity can count toward your step count! Whether it's swimming, gardening, or any one of more than 100 activities, you can convert that action into steps with an easy to read chart to help you reach your daily goal.

Participation and reporting are quick and easy! Simply track your daily activity and report it at the end of each week. That's all there is to it! ***Walk – Track – Report – Win!***

Please visit <https://www.surveymonkey.com/r/WAA2019> to accept the challenge

Registration closes Friday, April 12, 2019 so don't delay - register today!

Registered participants will receive a “**Welcome Email**” the last week of March with more information about how to report your steps and other useful tools to keep you on track throughout the challenge.
