

Greetings Challenge Walkers and **CONGRATULATIONS!** Each year the TCSIG Walk Across America Challenge gains momentum and the results just get more and more impressive! And for 2017 you blew it out of the water! **Not only did you "walk across America" nearly 18 times, you walked around the WORLD...more than TWICE!**

**That's right folks, the grand total for 2017 was 53,301 MILES!**

What a tremendous accomplishment for your physical *and* mental health. Walking is such an effective tool to improve our bodies and our minds in so many ways and we are proud to sponsor a program that builds upon these strengths.
