

MEET YOUR NEW HEALTH PRO

I'm originally from Highland Village, TX and graduated from Southern Methodist University with a degree in Corporate Communications and focus in public affairs. When I'm not helping my members with requests, I enjoy spending time with my husband and twin sons, dinner with friends, and reading.

I enjoy working for Compass because of the people I work with every day and because I know the work I do positively impacts the lives of my members. I'm looking forward to assisting a distinguished group like yours!
